

Gazette the English Class (Jan/Feb)

Theme: Winter

After the Christmas holiday ended, we were back to school. The activities were based on the current materials and new materials; as you go through this gazette you will be able to see how interesting our day today school life has become as the time goes by. The purpose of the theme was to understand the definitions we get to see and feel including all the other fun activities, Oral language practice, crafts and lot more. Right below I'm sharing how our little ones started to get along with their work with all fun and that excitement.

Valentines Lunching

Last but not the least, we have come to an end of a term for this year. Until the next term freshly starts, I will end it here wishing you'll happy holidays and thanking each and every parent for the patience and for the support you'll do by letting us help each and every child of yours while promising on continuing to do our best to help them every day as much as we can.

*Happy Holidays to each and every family!!!
Asinshani Chettiar.*
